## CHIANG MAI

Visit Wat Phra That Doi Suthep one of the North's most sacred temples. On this Chiang Mai tour you will climb a staircase of 306 steps leads to Doi Suthep Temple at the end of the winding road up the mountain. This is definitely the best way to approach the temple but there is also a funicular railway if you are less steady on your feet. As well as seeing this magnificent temple the trip would be worth it just for the stunning views across Chiang Mai alone. From the cool view point at the front of the temple you can see the whole of Chiang Mai and beyond. Following our temple visit we will continue further up the mountain to visit a White Hmong Village.
